

Goodwin Biotechnology, Inc. was Honoured with a 2015 Best in Sector Performance Award

August, 2015-- Goodwin Biotechnology was awarded 'Best in Sector: Biopharmaceutical Contract Development & Manufacturing' at *Acquisition International* magazine's 2015 Sector Performance Awards.

These prestigious awards honour the companies and professionals who excel in their respective sectors, as well as providing uniquely specialised services for their clients.

Based near Fort Lauderdale in Florida, Goodwin Biotechnology is a fully integrated, customer-focused cGMP Contract Development and Manufacturing Organization (CDMO) of biopharmaceuticals utilizing Mammalian Cell Culture expression systems and Bioconjugation technologies for the production of monoclonal antibodies, recombinant proteins, vaccines, Antibody Drug Conjugates (ADCs) and other bioconjugates for clients. They received this award for their excellence and innovation in the field of biopharmaceutical contract development and manufacturing.

Speaking about their award, Awards Coordinator Peter Rujgev commented: "These awards recognise individuals and companies that are providing a truly niche service as well as achieving stellar results in their area of specialisation. With awards winners coming from a diverse range of industries across the globe, it is truly an honour to recognise Goodwin Biotechnology for their success."

"We at Goodwin Biotechnology are excited to be recognized for this distinguished award by Acquisition International," said SooYoung S. Lee, PhD, Chief Operating Officer at Goodwin Biotechnology. "This award reflects the teamwork and commitment as well as the specialized skill sets of the staff at Goodwin Biotechnology who are laser focused on partnering with our clients to deliver high quality biopharmaceuticals that hold promises to positively impact patients and their families."

Acquisition International prides itself on the validity of its awards and winners. The awards are given solely on merit and are awarded to commend those most deserving for their ingenuity and hard work, distinguishing them from their competitors and proving them worthy of recognition.
